CURRENT PROJECTS

Hiram House Camp

Premier is proud to have partnered with Hiram House Camp on the construction of their new pool house. Summer campers of all abilities are already enjoying this new ADA accessible facility and pool.

9525 Hamilton Drive

Construction on this Mentor building is expected to finish in Q3 2023. There is still 84,770 SF available – reach out to learn more!

PARTNERS IN OUR COMMUNITY

The Ronald McDonald House in Cleveland provides families with accommodation while children receive medical treatments at Cleveland area hospitals. The Premier team had the opportunity to pack grab-and-go snack bags for the residents staying at the house. We had a great time decorating and packing the bags, and we were able to complete 150 bags – enough to cover their needs for a week!

STRENGTHENING OUR TEAM

Premier is proud to welcome Maggie Michaelangelo to the team! Maggie joins us with several years of experience in the real estate industry. Maggie has already proven herself to be a team player and looks forward to assisting on strategic projects from beginning to end.

NOTABLE ACQUISITIONS

Premier is pleased to announce the acquisition of 26300 Miles Road in Bedford Heights. This 375,000 SF facility will be transformed into a multi-tenant building with convenient highway access.
