WEATHERHEAD 100

The Weatherhead 100 Awards celebrate business leaders in Northeast Ohio, and we are honored to be a repeat winner! Thank you to the Weatherhead School of Management for hosting this great event, and congratulations to all of this year's winners!

BLOG

Did you know that much of the work in a construction project starts long before you see any work on a site? Check out what Jerry Gruszewski, Senior Partner, says about everything that goes into each phase of a project.

CURRENT PROJECTS

Cleveland Clinic Middleburg Heights Family Health Center

In October, we celebrated the Grand Opening of the Cleveland Clinic Middleburg Heights Family Health Center with a ribbon cutting ceremony. Premier worked with the Clinic team to overhaul the interior of a former K-mart store into a cutting-edge medical facility. Their doors are now open, and they are serving members of the community!

World Headquarters

Premier finished construction of a new 210,000 SF office and distribution facility for our client this summer. This new facility in Oakwood Village serves as the new world headquarters for the company and provides room for future growth.
