

FBE (Female Business Enterprise) - City of Cleveland

Let us manage your needs for full-service demolition inclusive of industrial, commercial, and residential demolition as well dismantlement, interior strip-outs, environmental remediation, and asset liquidation services. We have a collective 60+ years of experience in the commercial real estate business and we are an industry leader in Northeast Ohio, as well as the surrounding areas.

Premier Demolition Partners serves the greater Northeast Ohio area and was founded and certified as a women-owned business. Premier Demo is deeply committed to advancing diversity both within the construction industry and throughout our community. Established in 2016, Premier Demo has completed all sizes and sectors of projects in the construction industry.

At Premier Demolition Partners, we turn our commitment into results by actively recruiting and developing women within our own team. We also extend this approach outward by collaborating with a wide array of diverse partners and subcontractors and we aim to set the standard for the construction industry. Acknowledging factors like race, gender, age, and more helps shape a broader understanding of projects and this inclusive approach strengthens collaboration, improves how we tackle problems, and enhances the quality of outcomes we deliver to clients.
