CURRENT PROJECTS

Premier is pleased to welcome Artisans Inc. to 1515 Mercer Road! They recently celebrated their grand opening with a ribbon cutting ceremony that included community members, local officials, and state officials. Welcome to the Premier family!

Premier recently completed construction at 1500 Nagel Road for K1 Speed in Avon, assisting in the transformation of a manufacturing facility into an entertainment venue featuring an indoor go-kart racing track. K1 Speed is now open and racing full steam ahead!

STRENGTHENING OUR TEAM

The Premier team celebrated the end of summer with a company picnic featuring ingredients harvested from our office garden! We enjoyed food including fresh salads, caprese bites, orzo salad, and fried eggplant as well as cheeseburgers and brats with our Senior Partners serving as grill masters.
